## Seniors' Week 2007 – Celebrate Seniors' Present and Future Contributions

Join the [Seniors Advisory Council for Alberta](#) in celebrating the present and future contributions of Alberta's seniors from June 4 – 10!

Seniors make a difference in the lives of Albertans everyday. From supporting family members and friends to assisting charities and volunteering, seniors are active members of our communities. Their contributions will continue to benefit Albertans of all ages in the coming years and decades.

Your participation in Seniors' Week will help highlight the positive contributions seniors make and encourage positive attitudes towards seniors.
